Get ready for the season ahead!

The winter months can be an incredibly stressful time for snow crews. Managing a business that depends on sudden shifts in the weather can be tough, luckily we're here to take a little weight off your shoulders. Our **Snow Workshops** will prepare you for the season ahead, giving you tools to get out ahead of the drifts.

Day 1

- Build your snow budget
- Establish sales goals
- Calculate equipment cost recovery
- Calculate overhead for snow

Day 1 (Evening)

- Peer networking
- Free beer
- Free wings
- Lots of conversation!

Day 2

- Estimating snow & ice
- Paperless snow logs
- Live job tracking
- Billing & jobcosting

Success in snow.

Join us at the **most-attended business management workshop** in landscape and snow & ice, and let us show you how to take the guesswork out of pricing and managing snow & ice work.
