

Great engine. Great coverage.

INTRODUCING PLATINUM-LEVEL ESC FOR CAT® PLEASURE CRAFT ENGINES.

Cat marine engines set the standard for quality and performance. Cat Insurance's Extended Service Coverage (ESC) sets the standard for confidence. With platinum-level coverage, you know your investment is protected by the power of Caterpillar®.

THE PERFORMANCE YOU EXPECT. THE COVERAGE YOU DESERVE.

- Platinum-level ESC covers 100 percent of usual and customary parts and labor costs on covered components (less any applicable deductible).
- Platinum-level ESC covers defects in material and workmanship under normal use.
- Platinum-level ESC applies to your engine's original factory equipment – all Cat part numbers, excluding consumables.*

YOUR MARINE ENGINE CAN TAKE YOU ANYWHERE. AND YOUR PLATINUM-LEVEL COVERAGE CAN GO WITH YOU.

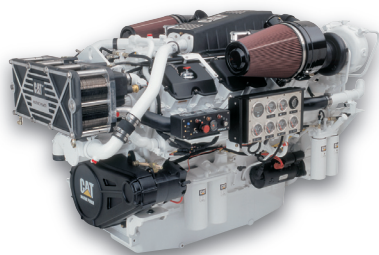

- You have access to a network of Caterpillar dealerships and Authorized Marine Dealers – either around the dock or around the world.

RELAX. ESC IS PART OF YOUR CAT POWER SOLUTION.

- Qualified technicians manage all engine repairs.
- Genuine Cat parts are used in your Platinum-level ESC repair.
- Increase the resale of your engine, because Platinum-level ESC is transferable.

PLATINUM-LEVEL ESC IS DESIGNED TO MEET YOUR NEEDS.

- Available for up to 60 months/6,000 hours from date of delivery
- Available in wide range of deductibles
- Marine auxiliary engines are eligible
- See your local Cat dealer for details and prices

Upgrade your current marine engine to platinum-level coverage: Engines in the standard factory warranty period are eligible for an upgrade until June 1, 2005, with no late charge. See your Cat dealer for details.

This is a brief description of extended service coverage. See your Cat dealer for more information. The ESC contract will govern.

** Consumables include filters, fluids, vee belts, hoses, power take-offs, paint, batteries and clutches.*
